ABOUT ALI

Committed to People and Possibilities

Alireza Talavari is an experienced and well-mannered Real Estate agent originally from Iran. Having moved to Dubai with his wife and children in 2003, Alireza had started his career in the travel and tourism industry and slowly moved his way into the Real Estate market. His early career helped him develop strong interpersonal skills and a true understanding of client services, quality over quantity.

Alireza joined Seven Century in 2017, bringing five years of prior Real Estate experience, which allowed him to develop meaningful relationships with his clients. Over the years, he has cultivated long-standing relationships with clients, built on trust, transparency, quality services, and commitment to excellence. Alireza primarily works in areas such as JVC, IMPZ, Sports City, and Business Bay.

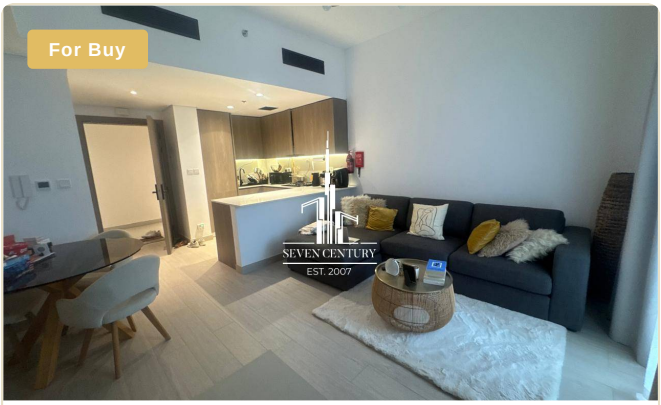

He has a strong work ethic, allowing his clients to fully rely on him for finding the perfect property. Whether it is for investment or personal use, he ensures consistency in terms of services, remains upfront. When meeting his clients, he's always punctual and on time, which adds to his strong work ethic and hands-on approach. Alireza Takes prides himself in guiding client through every step of the property process, and the ability to tailor solutions to meet their goals.
