YOUR TRUSTED
REAL ESTATE PARTNER
IN DUBAI

ABOUT THE AGENT

Committed to People and Possibilities

Saghi Fakhri is a proven and exceptional real estate agent with a strong track record of client management. She is a highly accomplished realtor with 20+ years of remarkable experience in Dubai. Over the years, Saghi has witnessed the ever-changing and dynamic real estate world of Dubai and understands which areas and locations are ideal based on her clients' needs and budget.

She understands the nuances of market shifts and knows exactly how to hold long-term value for both homeowners and investors. She looks forward to helping her clients recognise the full potential of what they are investing in to generate amazing ROI. Saghi's extensive understanding of market trends and Dubai's key location ensures that her clients receive the most informed advice they need.

With a diversified portfolio of both commercial and residential landscapes across the city, she guarantees to meet your needs and deliver what is best for you. Saghi is dedicated to delivering results that go beyond your expectations, with her professionalism, dedication, and integrity. She is a trusted name in Dubai real estate, who partners with confidence and clarity to deliver long-term value in every transaction.
