ABOUT CYNTHIA

Committed to People and Possibilities

Cynthia Manda is a professional, as well as result-driven real estate agent in the UAE. Having lived in the UAE since 2016, the extensive and constant growth in the real estate market grabbed her attention and love for the sector. She is a graduate of the faculty of education and a RERA-certified agent with insight and knowledge of the real estate market in the UAE. Known for her integrity, problem-solving mindset, and intelligence, she consistently finds innovative solutions for her clients.

Cynthia is deeply committed to offering personalized services to her clients, ensuring they receive honest and clear advice, along with strategic options tailored for them. Her focus is strongly on delivering value, in terms of knowledge and action, to grow a client base with her reputation.

She has extensive knowledge of property roadshows and a good track record in sales and rentals, especially in Business Bay and Downtown. She also works closely with all major and minor developers in the UAE and has a vast knowledge of Dubai communities, upcoming projects, and more. With her strong communication skills, she is capable of establishing a good relationship with her clients and colleagues and has a hold on both English and French.
