ABOUT AZIN

Committed to People and Possibilities

Azin Khalifeh, having lived in the UAE for more than 20 years, is a highly skilled and dedicated property advisor at Seven Century Real Estate. Born and brought up in Iran, she has a strong background and a passion for sales, client services, bringing well informed perspective to her work. Azin combines her deep knowledge, personalized services, and professional approach in every client interaction to make a difference. She comes with a background of sales for over 16+ years in managerial positions at Dubai Optical, a well-known and leading retail brand in the UAE.

Azin brings with her a wealth of experience in Dubai's dynamic sales environment, allowing her to connect with a diversified clientele and master the art of communication. She is fluent in both Farsi and English, which guarantees that she to deliver a smooth real estate transaction for all her clients, from any background.

She's dealing with buying, selling, and renting of both residential and commercial properties in Dubai, with her deep knowledge of Dubai neighborhoods. Her understanding of property laws and Dubai values adds to the perks of considering her as your realtor, as she follows a client-centric approach. Azin is dedicated to bringing a long-term vision and partnership with clients, which is based on complete transparency and value.
