ABOUT MASOOMEH

Committed to People and Possibilities

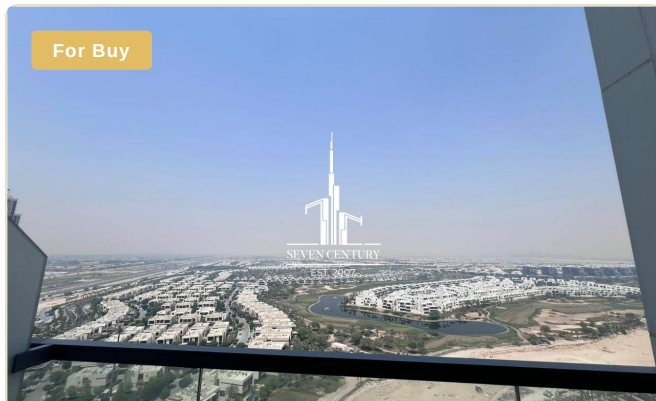

Masoomah is one of the most experienced professionals, bringing 22 years of living experience in Dubai. She has seen the incredible transformation of the city, from desert land to a land of opportunities and a thriving oasis. She comes with in-depth knowledge of Dubai's neighborhoods, lifestyle, hidden gems, and communities. She has built a strong background in tourism and understands what makes each community in Dubai special.

Originally from Iran, Masoomah is fluent in both English and Farsi, enabling her to communicate effectively with clients and help them find the right property. Her goal is to provide smart investment advice that fits their lifestyle well.

She is a Downtown Dubai specialist, bringing in-depth knowledge of every community and building. With experience in both secondary and off-plan property markets, she ensures her clients find the best properties suited for their needs. Masoomah is known for delivering personalized solutions tailored to meet her clients' specific needs.
