ABOUT ARIA

Committed to People and Possibilities

Originally from Denmark, Aria Shugahi moved to the UAE to explore exciting opportunities. He quickly found his passion in real estate, serving clients with properties that add value to their lives. Aria brings a strong understanding of Dubai properties, is fluent in English, Danish, and Farsi, and he communicates with a global audience easily.

He is known for his vibrancy, positivity, and charisma, spreading good energy and building strong relationships. He values his clients' time and money, thus offering deeper insights, market trends, and honest opinions to deliver excellent services.

From off-plan properties to ready homes across prime communities in Dubai, Aria can be your go-to guide. His excellent communication skills and knowledge of buying and selling help clients complete their transactions with utmost satisfaction.
