ABOUT MARJAN

Committed to People and Possibilities

Marjan is a proficient and reliable realtor at Seven Century, with 5 years of experience in real estate, including 2 years dedicated to Dubai properties. She is an area specialist in Business Bay and Meydan, offering expert, top-notch advice in residential and commercial markets.

Fluent in both Farsi and English, she connects effortlessly with diverse clients and builds lasting, meaningful relationships. She values trust, honesty, and transparency, which makes her reliable and her advice commendable.

She aims to help her clients find their dream property, invest in the right project, or rent a home that meets their budget and expectations. Marjan is a highly passionate realtor who is curious about new off-plan projects and understands the secondary market, which enables her to select the right home for her clients.
